

Centennial “Foto Fest” Guidelines

On February 23, 2017 the city of Brea celebrated its 100th Birthday. There have been parties, a picnic, parade, and a variety of official celebrations. There have also been countless “unofficial” celebrations where memories were shared and made.

The Brea Historical Society is collecting these priceless memories and photographs to create the Brea Centennial Photo Album and we’d like to invite you to get involved.

Participation is easy. Simply read the guidelines, fill out the information form and upload the completed form and your memories to our website.
