LET FREEDOM RING

WE ARE THROWING A BIRTHDAY PARTY AND YOU ARE INVITED!!!

The Brea Firemen's Association and the City of Brea are sponsoring a salute to America. It is the Bicentennial Fireworks Spectacular which will include pre-show entertainment, 10 major set pieces and hundreds of firework aerial shells. During the show, a shell equalling the largest shell in Southern California (12") will be fired to symbolize "the shot heard 'round the world."

The Fireworks Spectacular will be a colorful and historic tribute to our country filled with music and merriment, door prizes and dedications, people and more people. We hope you will be able to join us for the best and biggest fireworks show around.

Tickets are now on sale for \$1.50 at City Hall, Fire Stations No. 1 and No. 4, the Chamber of Commerce, and the Brea 7-11 Store. No tickets will be sold at the door.

"Pass and stow. Let liberty ring throughout the land."

A replica of the historic Liberty Bell will be donated to the City on the 4th of July at the Bicentennial Fireworks Spectacular. The project was spearheaded by the Bicentennial Committee and substantially financed by the students at Brea-Olinda High School. It will be on display in City Hall and plans are made for its permanent location in the proposed civic and cultural center.

THE BOX LUNCH BRIGADE

It's free, fun and fantastic! It's the BREA BICENTENNIAL PICNIC to be held on Saturday, July 3 from 12:00 noon to 6:00 p.m. in Arovista Park.

The activities range from watermelon eating and pig chasing contests to performances by a barber shop quartet and the rock group "Prism." Other performances will include the Kitchen Band, Sweet Adelines, a ragtime variety group, BOHS Drill Team, and members of the BOHS Chamber Choir. Specialty acts will include a minstrel show and a

comedy Hawaiian act. Mayor's Speech Contest winners will give their award-winning speeches based on the theme "Great Moments in American History."

The event is designed to be a casual block party where you BYOBL (Bring Your Own Box Lunch). You might even want to check with your favorite local fast food chain and purchase a mini (or maxi) lunch box special. Whether you decide to eat or not, or can stay 10 minutes or all day, we hope you will join us for this Brea neighborhood get-together.

A GIFT THAT KEEPS ON LIVING

Have you absolutely exhausted all your gift ideas for Dad, Mom, Aunt Edna and Uncle Sam? Well then, why don't you seriously consider giving a tree to the City in their name. The City of Brea has initiated a program whereby residents can donate a tree to be planted in one of our city parks for \$25.00.

The donor will receive a parchment certificate to present to the honored person, and that person's name will be entered in the official City Gift Trees Ledger as a matter of public record. For more information, call City Hall: 529-4951, extension 40.

PRESIDENT GEORGE WASHINGTON
(1732-99)

General Washington, Commander of the Revolutionary Army and the nation's first President, will be honored at the Fireworks Spectacular along with other American patriots who have made this country great.

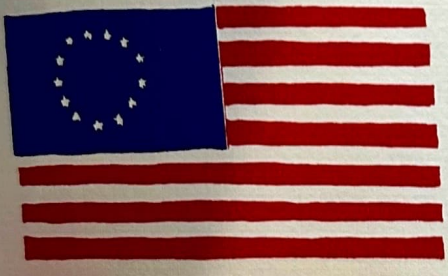

SISTERHOOD IS POWERFUL!!

Do you know that Brea has a Sister City in Lagos de Moreno? It's Lagos de Moreno! We have participated in the National Sister Cities Program since 1967 when Leo West was appointed the first Chairman of that committee. Our community has found this cultural exchange to be a rewarding experience for all who have participated in the program. On the eve of our Bicentennial celebration, the Mayor of Lagos de Moreno, Jorge Sanro-

man and party will arrive in Brea to help us celebrate our Nation's Birthday. They will join with the members of the City Council and host families to attend the many events we have scheduled for the holiday.

The group will be arriving on July 2 and their anticipated departure date is July 6. They will attend the Gazebo Dedication, the Bicentennial Picnic and the Fireworks Spectacular where a special presentation will be made to them at that time.

A GAZEBO... ANNNN...

On July 3, 1976, at 11:00 a.m., the Soroptimist International Club of Brea will join with the City to publicly dedicate the recently constructed Gazebo in the City Hall Park. The public is invited to attend.

Margery Paul, President of the Soroptimist Club, will present the City Council with a check for \$3,500 at the dedication. The Soroptimists conceived the civic gazebo for a Bicentennial project and then collaborated with the City and the Brea-Olinda High School Regional Occupation Program to construct it.

The Gazebo has a touch of nostalgia for

long-time Brea residents who remember the City Hall Park foundation. The wrought iron railing which now surrounds the Gazebo once enclosed the fountain and the lightning rod which embellishes the roof once stood atop City Hall.

The Gazebo, which stands in the lovely location overlooking the City Hall Park grounds and rose garden, is backed by the historic Brea Plunge which offers hours of summer recreational aquatic fun for people of all ages. The Gazebo will house summer concerts in the park and numerous other civic events.

FIREWORKS BANNER UP FOR 4TH OF JULY

The annual hanging of the Fireworks Show Banner across Brea Boulevard took place Tuesday to serve as a reminder to the community of this year's July 4th festivities.

Those activities include a street dance at St. Angela Church on July 1st, a mixed doubles tennis tournament at Brea Junior High School on July 2nd, a city picnic on July 3rd, and finally the International Fireworks Spectacular IV on July 4th sponsored by the Brea Firemen's Association and the City of Brea.

Brea's 60th Birthday will be a recurring theme throughout the fireworks program. Deputy Consul General Dr. Gerd Massmann, of the Federal Republic of Germany, will be the special guest during the program, as his country will be featured in this year's international portion of the fireworks display.

The public is urged to buy their tickets early, as they will not be sold at the gate. Tickets may be purchased for \$2.00 per person, with no charge for children under one year of age. Tickets are now on sale at several locations in Brea: Brea Fire Station #1, #2, and #3; Brea City Hall, 401 So. Brea Blvd.; Brea Chamber of Commerce, 119 No. Brea Blvd.; Seven-Eleven Store, Puente and W. Imperial Hwy.; Home Bank, 1643 E. Imperial Hwy. in the Brea Plaza; and at Michael's Chevrolet, 800 So. week.

The spokesman, however, said, 15 B52s were counted as combat losses in raids known by the code name of Linebacker II, while a total of 17 B52s were lost in Southeast Asia during the entire war. The Linebacker II raids occurred between Dec. 18 and Dec. 29, 1972

Drenkowski made his charges in an article to be published in next month's Armed Forces Journal International. The article was taken from a multipart manuscript scheduled to begin publication in the September issue of Soldier of Fortune magazine.

Drenkowski said Strategic Air Command planners forced cell after cell of B52s to fly down corridors at exactly the same headings, altitudes and airspeeds. The same flight plan was required long after chaff — thin aluminum strips which confuse enemy radar — drifted away from its protective position.

"The first few cells were not fired on by the enemy defenses, which were apparently taken by surprise," Drenkowski said. "But as the following cells continued flying down the same course, the battle heated up..."

"Crews were not allowed to adjust their course to take advantage of the protection of the chaff," he said, and "... the enemy gunners settled down."

Unable to force a change in SAC planning, he said, B52 crews vented their frustration in officers' clubs.

"The damage done by the angry crew members became legendary as the losses mounted day by day.

"First three, then four, then six B52s per day went down, yet SAC remained too inflexible to change."

During one three-day period, he said, "aircrews contacted their congressmen or simply refused to fly. One pilot who went to the news media was court-martialed and discharged immediately."

He said flight surgeons "used the term mutiny to describe events."

part in a variety of events including a street dance Friday night at the St. Angela Merici Catholic Church parking lot, a tennis tournament on Saturday, a picnic on Sunday and the fireworks display on Monday.

The fireworks show will include a surprise performance by one of America's literary figures with music performed by the Society for the Preservation of Big Bands.

Further details on all these events will be published this week in the Star-Progress.

THE BIG EVENT — Brea City Councilman Carol Weddle lends his support to the fireworks banner stretched across Brea Boulevard. The big event will highlight this weekend's July 4th celebration. Tickets are available at city hall, Brea fire stations, the Chamber of Commerce office and the 7-11 store at Imperial and Puente.

MC ----- BREA HAS HAD A RICH HISTORY IN ITS PEOPLE AND ITS INDUSTRY.

IN THE EARLY EIGHTEEN NINETIES, THE PROSPECT OF DEVELOPING AN OIL FIELD IN THE PUENTE HILLS BECAME A REALITY. DRILLING TOOLS WERE PRIMITIVE YET SHALLOW HOLES RESULTED IN A SMALL PRODUCTION OF LIGHT OIL. THE FIRST WELLS REACHED DEPTHS BETWEEN 600 TO 700 FEET. WITH THE ADVENT OF MODERN EQUIPMENT, WELLS REACHED DEPTHS OF 1,500 FEET, OPENING THE RICHEST SECTIONS OF THE OIL FIELDS IN BREA.

THIS IS THE HISTORY OF BREA. FOR IT WAS THE EARLY DEVELOPMENT OF OIL FIELDS THAT MADE IT POSSIBLE FOR THE ONTARIO INVESTMENT COMPANY TO UNDERTAKE A SUCCESSFUL VENTURE OF LAYING OUT A TOWNSITE A MAKING A HOME FOR ITS EMPLOYEES - THE TOWN WAS RANDOLPH, LATER TO BE NAMED BREA.

Welcome to Brea's Fireworks Spectacular VII, "Year of the Family" Pre-Show. I think that the music provided us by the Society for the Preservation of Big Bands has been inspiring. We will be hearing the band as soon as our Fireworks Show starts. At this time, I would like to introduce to you the All American Boys Chorus directed by Fr. Richard Coughlin.

And now a moment that many of you have been waiting for--"The Challenge of the Year. Ten Miss Brea Finalists have challenged the Brea City Council to a tug of war. Training sessions have been going ^{on,} according to my understanding, for the past 2½ weeks. The winning team will be declared when all members of one team have been pulled over the center line.

.....As you can see, the center line is surrounded by a small obstacle. So everyone get ready to begin the tug of war of the year!

Representing the Miss Brea Pageant tonight will be:

- Vicki Marie Tucker

- Kelly Ann Rider
- Cyndi Lynn Coulter
- Melanie Jo Howells

AMERICANS OF ALL AGES---THIS IS TRULY A GREAT TIME! WE ARE CELEBRATING THE INDEPENDENCE OF OUR GREAT COUNTRY BY JOINING WITH OUR FELLOW AMERICANS ACROSS THIS LAND. ~~THIS YEAR~~, ^{FORWARD} IN KEEPING WITH THE "BREA SPIRIT", WE DEDICATE OUR FIREWORKS SPECTACULAR TO THE "FAMILY," BE IT LARGE OR SMALL, REMEMBERING THAT ALL OF US ARE MEMBERS OF A FAMILY. ALL OF ~~US~~ ^{YOU} HERE TONIGHT ARE A MEMBER OF THIS BREA FAMILY AND NO MATTER WHAT YOUR AGE, THIS SHOW IS FOR YOU.

AT THIS TIME, LET ME INTRODUCE YOU TO ^{BREA} MAYOR ^{Donald} DON FOX WHO WILL OFFER A FEW WORDS OF WELCOME. *AND introduce our pledge of allegiance*

MAYOR DON FOX.....ON BEHALF OF THE CITY COUNCIL I WOULD LIKE TO WELCOME YOU TO OUR 7TH ANNUAL FIREWORKS SPECTACULAR. BREA'S FIREMENS ASSOCIATION AND THE CITY PRESENT THIS PROGRAM IN ORDER TO HELP MAKE FOURTH OF JULY A SAFER TIME FOR ALL. I KNOW YOU ARE ANXIOUS TO SEE THE SHOW. HAVE A GREAT TIME!

MC.....IN A WORLD WHERE WORDS TOO OFTEN ARE SUBSTITUTION FOR DEEDS, BREA CAN BE PROUD OF ITS CITIZEN PARTICIPATION. THEIR ^{GOALS} ~~GOALS~~ ARE IN KEEPING WITH "MAKING BREA A BETTER PLACE TO LIVE."
BREA HAS ALWAYS BEEN A VERY SPECIAL PLACE TO LIVE. A MAJOR REASON FOR THIS IS THE ABILITY TO BLEND THE NEW WITH THE OLD- PROGRESS WHILE PRESERVING THE PAST. THE "BREA SPIRIT" IS A ^{REFLECTION} ~~REFLECTION~~ OF THE STRONG BELIEF THAT THE UNIQUENESS OF BREA IS BASED ON STRONG COMMUNITY INVOLVEMENT AND SUPPORT.

SET THREE-THINGS WE WANTED TO DO BUT COULDN'T

MUSIC.....DO RE ME AFTER TEN SECONDS FADE

MC.....LADIES AND GENTLEMEN, EVERY YEAR A TREMENDOUS AMOUNT OF THOUGHT AND ENERGY GOES INTO PROVIDING YOU WITH THE BEST OF THE NEW SHELLS, FIELD PIECES, SUPPORT PIECES AND GIM-MICK TYPE FIREWORKS. WE SORT OF "WEED OUT" THOSE ITEMS THAT WE BELIEVE WOULD NOT INTEREST YOU.

Foment
SO!.. WE ARE GOING TO SHOW YOU SOME OF THOSE ITEMS WE DECIDED NOT TO HAVE IN OUR SHOW.

Portion of our Program
WE WERE GOING TO BEGIN THIS ~~SET~~ WITH TEN SMALL AERIAL SALUTES, BUT.....

FIRE TEN SALUTES ELCTRICALLY.

MC..... AS YOU CAN HEAR, IT WAS MUCH TOO NOISY..FORGET THAT! INSTEAD OF FIRING SHELLS ELCTRICALLY, WE CONSIDERED FIREING MANUALLY AGAIN.

FIRE FOUR. FOUR INCH SHELLS SLOWLY.

MC..... NOW YOU CAN SEE WHY WE FIRE ELECTRICALLY. THE MANUAL FIRNG IS MUCH TOO SLOW FOR US TO ACCEPT, POSSIBLY IT IS THE AD-VANCED AGE OF OUR FIRING TEAM THATS THE REAL PROBLEM.

FIRE 8 SHELLS(6-3", 2-4") AS FAST AS POSSIBLE

MC..... (AFTER SECOND SHELL IF FIRED,,, MC BEGIN SHOU-TING)
STOP.....STOP.....HOLD IT!
(WHEN FIRING STOPS)

OK OK OK IT IS NOT YOUR AGE AND YOU CAN FIRE FAST MANUALLY
WHEW.....HE IS TOUCHY.

NOW AS ALL OF YOU ARE AWARE, FIRECRACKERS ARE ILLEGAL IN THE STATE OF CALFIORNIA, EXCEPT FOR SHOWS SUCH AS THIS. HOWEVER, MOST EVERYONE HAS FIRED A FIRECRACKER SOMETIME, SOMEWHERE, ~~AND PROBABLY ENJOYED DOING IT.~~ SO... WE THOUGHT YOU WOULD LIKE TO SEE WHAT HAPPENS WHEN A PYROTECHMIC PERSON PLAYS WITH FIRECRACKER, THOUSANDS OF THEM....IN FACT , 10,000. NOW, IN THE CENTER OF THE FIELD, 10,000 FIRECRACKERS, WATCH CLOSELY.

FIRE 10,000 FIRECRACKERS .

MC.....WE CONSIDERED FIRING THREE BREAK SHELLS

FIRE. 3" THREE BREAK SHELL

MC.....VERUS THREE SINGLE BREAK SHELLS

FIRE 3 3" SINGLE BREAK SHELLS

MC..... THEN WE DECIDED NOT TO INCLUDE EITHER TYPE.

FLYING SAUCERS AN INTERESTING SUBJECT TO MOST. HOW COULD WE MAKE A FLYING SAUCER. NOW, THAT IS NOT AN EASY TASK WHEN YOU REALLY THINK ABOUT DOING IT. OUR VERY OWN FIRING TEAM HAS SUCH A FLYING OBJECT, OR AT LEAST THEY HAVE SOMETHING THAT IS DESIGNED TO FLY.

QUITE HONESTLY, WE HAVE NOT TESTED THIS FLYING SAUCER AND THAT IS THE VERY REASON WE ARE FIRING FROM THE TENNIS COURTS. WE ARE CONFIDENT, BUT, RETAIN A SMALL AMOUNT OF CAUTION AND ^{FEAR} FEAR. SO, LET'S ~~US~~ SEE BREA'S VERY OWN FLYING SAUCER. ^{FEARFUL}

FIRE FLYING SAUCER.

MC.....NOW YOU CAN SEE WHY WE FIRED ON THE TENNIS COURT.

(SOME OTHER COMMENT MAY BE APPLICABLE)

A SPECIAL BUY CAME ALONG ON 3 SMALL DIAMETER, ^{VERY} HIGH ALTITUDE SHELLS. THESE WERE ADVERTISED AS VERY UNIQUE, HIGHLY PRIZED, MOST-SOUGHT AFTER SHELLS THIS SEASON SO WE PURCHASED THREE OF THE SMALL HIGH FLYERS AND WILL FIRE THEM NOW WATCH CLOSELY,, THEY'RE VERY SMALL AND ^{GO} VERY HIGH.

FIRE THREE LIFT CHARGES ONLY

MC.....HMMMMMM.... DID ANYONE SEETHAT NO? KEEP WATCHING...(FEW SECONDS) WELL LET'S GIVE IT UP....WE ARE NOT GOING TO USE THEM IN OUR SHOW ANYWAY.

NEXT, WE CONSIDEREED SOME SPECIAL FOUR INCH GERMAN SHELLS

FIRE TWO FOUR INCH GERMAN SHELLS

MC.....WE THOUGHT YOU PROBABLY WOULDN'T LIKE THOSE, SO WE DIDN'T BUY ANYMORE.

FIRE WE DISCUSSED HAVING SOME BRIGHT WORK ON THE FIELD, BUT FIELD PIECES.

MC.....THAT IS OUT OF THE QUESTION THE NOISIEST SET WE HAVE EVER HEARD.

LASTLY, WE SELECTED A SPECIAL FIVE INCH SHELL WITH TWO BREAKS FOR A CIRCLE, THE ^{GREATEST} FANCY SHELL.

FIRE ONE FIVE INCH DOUBLE CIRCLE.

MC.....OH, THAT WAS ACCEPTABLE, BUT MUCH TOO EXPENSIVE, NOTHING OUR AUDIENCE WOULD WANT.

AND THAT LADIES AND GENTLEMEN WAS SOME OF THOSE THINGS WE DISCUSSED THAT WE CONSIDERED, BUT DECIDED NOT TO HAVE IN OUR SHOW.

FIRE TWO FOUR INCH SHELLS, ONE THREE INCH SHELL

IN THE STATE OF CALIFORNIA, EXCEPT FOR SHOWS SUCH AS THIS.
HOWEVER, MOST EVERYONE HAS FIRED A FIRECRACKER SOMETIME,
SOMEWHERE, AND PROBABLY ENJOYED DOING IT. SO... WE THOUGHT
YOU WOULD LIKE TO SEE WHAT HAPPENS WHEN A PYROTECHNIC PERSON
PLAYS WITH FIRECRACKER, THOUSANDS OF THEM....IN FACT ,
10,000. NOW, IN THE CENTER OF THE FIELD, 10,000 FIRECRACKERS,
WATCH CLOSELY.

FIRE 10,000 FIRECRACKERS .

MC.....WE CONSIDERED FIRING THREE BREAK SHELLS
FIRE. 3" THREE BREAK SHELL

MC.....VERUS THREE SINGLE BREAK SHELLS
FIRE 3 3" SINGLE BREAK SHELLS

MC..... THEN WE DECIDED NOT TO INCLUDE EITHER TYPE.

FLYING SAUCERS AN INTERESTING SUBJECT TO MOST. HOW
COULD WE MAKE A FLYING SAUCER. NOW, THAT IS NOT AN
EASY TASK WHEN YOU REALLY THINK ABOUT DOING IT. OUR
VERY OWN FIRING TEAM HAS SUCH A FLYING OBJECT, OR AT
LEAST THEY HAVE SOMETHING THAT IS DESIGNED TO FLY.

QUITE HONESTLY, WE HAVE NOT TESTED THIS FLYING SAUCER ANT
THAT IS THE VERY REASON WE ARE FIRING FROM THE TENNIS
COURTS. WE ARE CONFIDENT, BUT RETAIN A SMALL AMOUNT OF
CAUTION AND FEAR. SO, LET US SEE BREA'S VERY OWN
FLYING SAUCER.

FIRE FLYING SAUCER.

MC.....NOW YOU CAN SEE WHY WE FIRED ON THE TENNIS COURT.

(SOME OTHER COMMENT MAY BE APPLICABLE)

A SPECIAL BUY CAME ALONG ON 3 SMALL DIAMETER, HIGH
ACTITUDE SHELL. THESE WERE ADVERTISED AS VERY
UNIQUE, HIGHLY PRIZED, MOST-SOUGHT AFTER SHELLS THIS SEASON
SO WE PURCHASED THREE OF THE SMALL HIGH FLYERS AND WILL FIRE
THEM NOW WATCH CLOSELY,, THEY'RE VERY SMALL AND VERY HIGH.

FIRE THREE LIFT CHARGES ONLY

MC.....HMMMMMM.... DID ANYONE SEETHAT NO? KEEP WATCHING...(FEW
SECONDS) WELL LET'S GIVE IT UP....WE ARE NOT GOING TO USE THEM
IN OUR SHOW ANYWAY.

NEXT, WE CONSIDEREED SOME SPECIAL FOUR INCH GERMAN SHELLS

FIRE TWO FOUR INCH GERMAN SHELLS

MC.....WE THOUGHT YOU PROBABLY WOULDN'T LIKE THOSE, SO WE DIDN'T BUY ANYMORE.

FIRE WE DISCUSSED HAVING SOME BRIGHT WORK ON THE FIELD, BUT FIELD PIECES.

MC.....THAT IS OUT OF THE QUESTION THE NOISIEST SET WE HAVE EVER HEARD.

LASTLY, WE SELECTED A SPECIAL FIVE INCH SHELL WITH TWO BREAKS FOR A CIRCLE, THE ALTEST FANCY SHELL.

FIRE ONE FIVE INCH DOUBLE CIRCLE.

MC.....OH, THAT WAS ACCEPTABLE, BUT MUCH TOO EXPENSIVE , NOTHING OUR AUDIENCE WOULD WANT.

AND THAT LADIES AND GENTLEMEN WAS SOME OF THOSE THINGS WE DISCUSSED THAT WE CONSIDERED, BUT DECIDED NOT TO HAVE IN OUR SHOW.

FIRE TWO FOUR INCH SHELLS, ONE THREE INCH SHELL

END OF SET THREE

INTERMISSION
SET 4 - SALUTE TO BREA FAMILIES

LIGHTS OUT

MUSIC.....CLIME EVERY MOUNTAIN

AFTER 10 SECONDS - FADE.

MC.....THE EARLY FAMILIES OF BREA WERE STRONG INDIVIDUALS WITH A SINCERE INTEREST TOWARD BUILDING A UNIFIED CITY. MANY OF US HAVE FOND MEMORIES OF THE ROW OF MAILBOXES AWAITING THE RURAL MAIL FROM FULLERTON, OR THE CITY FIRE ALARM SIREN THAT RANG OUT IN TIME OF A FIRE. THE MOTHERS WAITING FOR THE FATHER TO ARRIVE HOME FROM WORK, THE CHILDREN PLAYING IN THE FIELDS. FROM THE MANY HARDSHIPS THAT THE EARLY FAMILIES ENDURED, THEIR DETERMINATION TO RAISE CHILDREN BORE FRUITS AS THE FIRST FAMILIES WERE SETTLED IN BREA.

DURING THIS PORTION OF THE SHOW, WE WILL HAVE THE LARGEST SHELL FIRED IN SOUTHERN CALIFORNIA THIS YEAR, THE SHELL IS 12" WIDE AND WILL TRAVEL 2,000 FEET UP BURSTING 1,000 FEET IN DIAMETER, AS EVIDENCE OF THE BOOMING SUPPORT WE, TOO, HOLD FOR THE FAMILIES OF YESTERDAY, AS WELL AS TODAY, IN BREA.

(CAUTION THE FIRING TEAM).....

PLEASE CLEAR THE FIRING AREA.

WE SALUTE YOU.....BREA FAMILIES.

MUSIC.....COLUMBIA, THE GEM OF THE OCEAN

FADE AFTER 10 SECONDS

(SPOTLIGHT ON CANADIAN FLAG)

MC..... NOT VERY OFTEN DOES A COMMUNITY SUCH AS BREA HAVE THE OPPORTUNITY TO SHARE WARM FEELINGS AND FELLOWSHIP WITH OUR GOOD NEIGHBOR, CANADA. DURING THE LAST WEEKEND OF JAN., '80, OFFICERS OF THE CANADIAN GOVERNMENT ASSISTED IN THE ESCAPE OF 6 AMERICAN CITIZENS FROM IRAN. THE CANADIAN REPRESENTATIVES HARBORED THE 6 AMERICANS IN THEIR EMBASSY IN TEHRAN FOR THREE MONTHS BEFORE THE ESCAPE COULD BE ACCOMPLISHED.

AT THE TIME WHEN MOST COUNTRIES OF THE WORLD WERE DOING VERY LITTLE OR NOTHING TO ASSIST AMERICA DURING OUR TIME OF SERIOUS CRISIS, OUR FRIENDS TO THE NORTH SHOWED US EXTRAORDINARY COURAGE AND SUPPORT. WE WOULD LIKE TO THANK _____

THANKS, CANADA !

DURING THE LIFE OF OUR GREAT NATION, AMERICA HAS
FOUGHT MANY BATTLES, HAS SUFFERED MUCH TURMOIL AND

STOOD TOGETHER, AND STAYED TOGETHER AS A PEOPLE.
